Again, thank you for your cooperation in booking your rooms. We will do everything we can to secure your choice. Hotels do book up fast, so the sooner you turn in your room list the better. If for any reason your team does not want to book with us, we will require a \$125 hotel opt out fee. We hope that you understand we use this process to pay for programs here at the rink. Dells Cup events our in-house ran tournaments. Thank you.
