Important Event Update & Team Formation

Schedule Change: Due to the significant size of this event, we are eliminating the Friday night evaluation. Instead, we will utilize that time to begin scrimmage games on Friday night, ensuring maximum playing time for all participants.

Please answer all registration questions to the best of your ability. We rely on this information to create teams that are as even and competitive as possible.

Goalie Requirements: Mandatory Skill Level

The Goalie position is the most critical for balanced games and has a strict skill requirement:

- *DO NOT register your player as a goalie unless he or she is currently playing at a HIGH B or A level (or better).
- *We reserve the right to verify skill level. Goalie spots are not guaranteed.
- *If a player does not meet the required level, they will be refunded.

Event Philosophy & Friend Policy

We created this event to help players manage the stress of official tryouts by providing a structured, fun, and low-stakes environment. Our goal is for everyone to enjoy themselves and gain valuable experience!

While team balance is our priority, we do occasionally make exceptions to our no-guarantee friend placement policy. Please contact me directly to inquire about special requests.
